

Reflection of Contribution - Nelson Region

Given BC Hockey's 100th Anniversary, this is a reflection of Nelson's influence on the early development of organization hockey in BC. As indicated in Bowsby's 2006 *The Knights of Winter, BC Hockey 1895-1911*, and Atwell's 1989 *History of British Columbia Amateur Hockey Association*, the establishment of organized teams were born in the Kootenays during the 1890s.
