- You will be given your team's jerseys. Record each player number and fill out a WK roster form, available here <http://www.wkmha.com/leagues/downloads.cfm?clientID=4188&leagueID=0&arch=0>
- You should receive a form from your Division Director or the Registrar as well. **WK rosters need to be submitted to WK Statistician and Governor before you play a league game.** Send your completed roster to your Division Director and they will forward to the Registrar and Governor.
- When NMHA Registrar updates rosters, she will return to division directors for distribution to team managers.
- Team Managers must send any changes on roster to WK Statistician and Governor, NMHA Registrar and division directors.
- NMHA Registrar will provide you with a copy of your Hockey Canada Register, or known as your HCR, once your roster has been approved by Hockey Canada.
- Keep a copy of your HCR in your manager binder, as you will need to provide a copy when registering for any tournaments. Only players listed on your HCR are able to play in league and ex games.
- If you have Approved Players (AP's) from the division below assigned to your team, please ensure they are also listed on your HCR.
- Please ensure if a player is listed as a goalie and also plays out, that they are listed as both a player and a goalie on your HCR. Players listed as goalie only cannot play as a line player in any league or ex game.
- Only players and bench staff listed on the HCR are allowed in the bench area/

### 3. Jersey Distribution and collection.

- Jerseys are handed out at the beginning of each season, by the Manager or Coach.
- Please record all jersey numbers that you receive, by each color, prior to distribution, and note any missing numbers.
- When jerseys are handed out to players, please record the numbers handed out to players on a WK roster sheet.
- It is the responsibility of each player/parent to ensure jerseys are kept clean and undamaged during the season. Please note that jerseys should not be put in the dryer, as that can shrink and damage the crests.
- Please let parents know what name bars, if used, must be sewn on to the jerseys by hand, not by machine. Machine attached bars are difficult to remove and can damage the jerseys.

- Jerseys MUST be returned at the end of the season. Managers should ensure all jerseys are clean, and name bars, C and A crests are removed.
- If jerseys are not returned, parents will be invoiced for the cost of the replacement.
- Jerseys need to be returned to the NMHA Equipment Manager at the end of each season, on hangars, in the jersey bag provided at the beginning of the season. Please ask your parents to return the hangars if they were given out at the start of the season.

#### 4. Medical Forms and Player/Parent contracts.

- Each player must fill out the medical forms and players and parents must sign the player/ parent contract and return to the manager. Available at [https://az184419.vo.msecnd.net/hockey-canada/Hockey-Programs/Safety/Safety-Program/Downloads/player\\_med\\_info\\_e.pdf](https://az184419.vo.msecnd.net/hockey-canada/Hockey-Programs/Safety/Safety-Program/Downloads/player_med_info_e.pdf)
- The Hockey Canada Insurance Program provides **supplemental** assistance to BC Hockey members for injuries incurred during hockey sanctioned activities.
- Please note that if an event falls outside of regular hockey programming, ie, team games, practices or fundraising activities, a Special Event Sanction form
- <https://www.bchockey.net/applicationforms/specialeventsanction.aspx> must be approved so that insurance coverage is extended to cover that event. The purpose of sanctioning a special event is to extend Hockey Canada Insurance Program coverage such as Major Medical / Dental Coverage to activities that do not fall under regular hockey programming. Special Event Sanctions are for usage of events such as dry land training, fundraisers, and other activities outside of regular hockey programming.

#### 5. League Play:

##### Game Format

Team managers should know the game format for their division.

[http://www.wkmha.com/media/leagues/4188/graphics/2018-2019\\_wkmha\\_rulebook\\_181216.pdf](http://www.wkmha.com/media/leagues/4188/graphics/2018-2019_wkmha_rulebook_181216.pdf)

- Rule Book Best practice is to print out a copy of the rules and have them available in a binder for each game. As manager, please read and familiarize yourself with the league rules.
- Home league games - The Referee Scheduler pre-arranges for on-ice officials and the NMHA Scheduler will schedule ice.
- 50/50 sales to make money for your team. Schedule parents to look after the volunteer roles - score sheet, time clock and 50/50
- A Gaming Licence is necessary for selling 50/50, your Division Director will do this, confirm that it has been done
- Hosting Team: responsible for supplying a WKMHA approved score sheet. See divisional director for a supply of score sheets. Fill out the necessary game information and your home team roster. Have your coach sign the sheet and give to the visiting team to record their roster and sign.
- Manager also needs to arrange to have parent volunteers run the clock and be the scorekeeper for each home game. Training to run the clock and filling out scoresheets is available. **Please contact your division director to arrange training for parents.** Some teams schedule parents at the beginning of each season for all home games. It is the responsibility of every parent to volunteer for these shifts so this job does not fall on the same person/people all the time. This is in addition to any volunteering that is required during your division tournament.

##### Online gamesheets (\*\*NEW POLICY\*\*)

It is now WKMHA policy to complete scoresheets via the Electronic Gamesheet format.

IPads will be available in the NDCC equipment room for use by teams during home games. The team manager, or a designated parent, must take the provided training course and ensure all parent scorekeepers have done the online tutorial and know how to complete online gamesheets during games.

Full instructions can be found here:

<https://www.bchockey.net/Content.aspx?id=304>

If there are issues with wifi connections, paper gamesheets can be used during games, and immediately after the game is over, entered online from a paper sheet by the manager. Paper gamesheets are no longer provided to teams, however can be ordered. If you need some, please contact Susan Lakeman at [secretary@nelsonmha.ca](mailto:secretary@nelsonmha.ca).

### **Minimum Suspension Guidelines: (BC Hockey Bulletin 2018-034)**

BC Hockey instituted Minimum Suspension Guidelines for certain penalties that result in game or gross misconducts. These are in addition to the penalties already in place pertaining to game misconducts. **Team Managers are required to immediately notify their Division Director and West Kootenay Division Governor in the event that game or gross misconducts occur during game play, as additional sanctions may apply to the player that are time sensitive.**

**Immediately following the game in which the infraction occurred**, scan or take a photo of the scoresheet, and email to your Division Director, Division Governor and West Kootenay President [wkpres@gmail.com](mailto:wkpres@gmail.com)

**Please note that accumulated sanctions will apply if players are repeat offenders, and coaches will receive sanctions and game suspensions as well for certain penalties.**

Please ensure you read, and are aware of the penalties involved, and the additional sanctions which are placed on players and coaches. Please ensure your coaches are aware as well.

Full details and how they apply are available here:
